On every berth there is water, 220 AC and telephone connection. For fuelling you will need to move the yacht at Marina's fuel station only a few meters away.

Kavas Team

The chandlery

Kavas Yachting chandler shop serves three purposes. <u>It is our Base office, taking care of the paper</u> work and all the bureaucracy related to yacht chartering, provides spare parts all our yachts -private and charter alike-, and operates as any chandler shop servicing all the yachts and visitors of the <u>Marina.</u>

In our new store you can find a wide variety of yachting equipment and chandlery to fit all requirements as well as a comprehensive stock of yachting clothes including shoes and a range of nautical gifts. We are further pleased to offer clients chartering yachts from KAVAS YACHTING that visit our shop, will receive a discount of 15% off the price of any item purchased.
